Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The reply filed on October 28, 2002 (Paper No. 15) is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): According to MPEP 818.02(b), where only generic claims are first presented and prosecuted in an application in which no election of a single invention has been made, and applicant later presents species claims to more than one species of the invention, he or she must at that time indicate an election of a single species. In the present application, only generic claims to ordinary psoriasis were first presented. Applicant now presents species claims to more than one species of psoriasis. Applicant must indicate an election of a single species of psoriasis. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
